Elevator World's 16th Annual

Project of the Year 2014

It's that time again! Submit your vertical, horizontal or inclined transportation system of an innovative design, special application or approach that has solved a major problem or overcome a unique challenge to the ELEVATOR WORLD 16th Annual Project of the Year Awards. Please read this year's rules carefully, as some requirements have changed.

All entries will be judged and categorized as received by an impartial panel of experienced industry professionals and experts. Projects will be judged on the following: innovation, originality and creativity, challenges overcome, installation methods and techniques, the use of advanced technology, and overall quality of presentation.

Winning entries will be published in the January 2014 issue of EW, and the winners in each category will be acknowledged with an award of recognition.

Deadline for entries: August 31, 2013

Project Categories:

- Elevators, New Construction
- Elevators, Modernization
- Escalators, New Construction
- Escalators, Modernization
- Moving Walks
- Inclined Elevators
- Platform Lifts & Stairway Chairlifts
- Private-Residence Elevators
- Automated People Movers

& Rules Requirements:

1. Contest entry period begins June 1, 2013 and ends August 31, 2013.
2. The transportation-system portion of the project must have been completed within two years of the contest entry period. Incomplete projects and previously submitted Project of the Year entries are not eligible.
3. Entries must include the following entry materials with one bound hard copy and one CD that includes both text and photos.

- Fill out this form (or a copy). Attach it to the front cover of your entry.
- At least a one-page description of the entire project to help judges understand how the project team's efforts have met the judging criteria
- A one- to five-page description of the transportation system, providing the project details, transportation-system outline specifications and why the project should be considered for an award
- A list of credits, citing building owner, developer, architect, designer, planner, transportation-systems contractor, equipment manufacturer(s), component supplier(s), consultant(s) and other pertinent project participants (companies only). Be sure to include the contact person's name, company name, address and phone number, and the author's bio and headshot.
- Six to 10 high-resolution color photographs that capture the major aspects of the project, with particular emphasis on the transportation system and brief descriptions of each aspect

4. All submissions will become property of EW and must be accompanied by the project owner's permission for EW to run the submission as a feature story in EW.
5. EW reserves the right to accept or reject any submissions for not complying with the contest rules or not meeting the spirit of the EW Project of the Year contest.
6. All employees of EW and their families are ineligible to participate.
7. Project entries should be shipped to: Managing Editor; Elevator World, Inc.; 354 Morgan Avenue; Mobile, AL 36606 by August 31, 2013.
